ACTIVATED CARBON FILTER

Activated Carbon Filter / Quick-Change Filter
It takes out 99% of the chlorine and organic chemicals. It provides enhanced reduction of taste, odor, and color.

Quick-change RO system appoints the below high quality cartridge filters:

We are one of the few manufacturers who still insist on using only FDA/NSF certified filters. Quick-change cartridge design makes filter changes fast, clean and easy. No tools required for replacements.

RS300RD
