PUREPRO
DRINKING WATER SYSTEM

QUALITY WATER FOR QUALITY LIFE

Reverse Osmosis Pure Water Systems

We are your clear choice

Pure-Pro Water Corporation is a premier manufacturer and exporter of residential and commercial reverse osmosis systems, water ionization systems and many other water treatment products. With over 1,000,000 systems already in business nationwide, PurePro give you what it takes to be a success in the commercial market.
Our complete product line of reverse osmosis systems have a unique look customers love and features that will set you apart from your competition.

To compete in today's marketplace, you need to work with an established company offering a range of quality products and experienced technical assistance.
For quality, saving and services, we are your clear choice.

ERS-106UVP

Quick-Change RO system

A combination of the best of World. RO and UV system. The UV light will disinfect filtered water at normal flow rate, providing one of the safest filtering systems available. Bacteria, viruses and other micro-organisms are destroyed by interfering with the DNA and RNA in the organisms' reproductive cycles. It cause immediate death for organisms and wipe out their ability to survive and reproduce.

Energizing & Healing water !

The Most Advanced Water Ionization System !

PurePro® Perfect Water System : ERO-M3

E-RO Technology (Electrolysis of RO water)
Hydrogen-rich water (hydrogen gas bubbles in your glass)
Super anti-oxidant water
Alkaline water with pH8.0~10.0
High negative ORP water (to fight free radicals)
Smaller molecular clusters
Mineralized with trace minerals
Clean, safe, tasty water - straight from your tap
Energizing & Healing water

PurePro®
Aqua-One Whole House Water Filters
FOR WELL WATER AND MUNICIPAL WATER SOURCES

Safe, Clean Water for Drinking, Bathing & Washing

PurePro Aqua-One (BB20-01) Whole House Water Filter Systems are modular systems that allow you to custom order a water filter system for your water treatment requirements. This ensures removal of all contaminants pollutants and turbidity found in your water so you have the best combination of water pressure and water quality.

Why Big-Blue Jumbo Filters?

Natural well water does not undergo preliminary testing or treatment. The source of your well water can be changed at any time from contaminants entering the aquifer or water source. PurePro Big-Blue filter systems allow you to build a customized system made just for you and you family. Jumbo Filter Systems deliver pure, fresh, clean tasting water to assure your family's health and peace of mind.

Big-Blue Pre-Filters (optional)

This Jumbo Filter is 5 microns pre-filter designed to remove sediment as well as other biological contaminants. It comes in two options with varying proportions of flow rate and sediment removal.

Big-Blue Carbon Block Filters (optional)

PurePro uses a very special blend of catalyst combined to reduce contaminants by 99.99% or more, including Volatile Organic Compounds (VOC's), lead and other heavy metals, cysts, E Coli, Guardia, Cryptosporidium, taste and odors.

Big-Blue UDF Carbon Filters (optional)

Not all households require one more Big-Blue Carbon Filters, but some homes may have a high incidence of certain naturally occurring minerals or contaminants. PurePro offer a variety of solutions, including: Big-Blue UDF Filter for Iron & Sulfur Reduction • Specific Metals • Excessive Acidity Hard Water & Excessive Minerals • And more.....

Easy Installation, Simple Maintenance

PurePro Whole House Water Filters come completely ready-to-assemble, including a shut-off valve for cartridge cleaning and replacement. A professional plumber is required for installation. PurePro Whole House Water Filter include a mounting bracket, ball valves and spanner. (Not included cartridge filters)

PurePro®
Aqua-Star Whole House Water Filters
FOR WELL WATER AND MUNICIPAL WATER SOURCES

Safe, Clean Water for Drinking, Bathing & Washing

PurePro Aqua-Star (BB20-02) Whole House Water Filter Systems are modular systems that allow you to custom order a water filter system for your water treatment requirements. This ensures removal of all contaminants pollutants and turbidity found in your water so you have the best combination of water pressure and water quality.

Why Big-Blue Jumbo Filters?

Natural well water does not undergo preliminary testing or treatment. The source of your well water can be changed at any time from contaminants entering the aquifer or water source. PurePro Big-Blue filter systems allow you to build a customized system made just for you and you family. Jumbo Filter Systems deliver pure, fresh, clean tasting water to assure your family's health and peace of mind.

Stage 1: Big-Blue Pre-Filters

The first stage is 5 microns pre-filter designed to remove sediment as well as other biological contaminants. It comes in two options with varying proportions of flow rate and sediment removal.

Stage 2: Big-Blue Carbon Block Filters

PurePro uses a very special blend of catalyst combined to reduce contaminants by 99.99% or more, including Volatile Organic Compounds (VOC's), lead and other heavy metals, cysts, E Coli, Guardia, Cryptosporidium, taste and odors.

Easy Installation, Simple Maintenance

PurePro Whole House Water Filters come completely ready-to-assemble, including a shut-off valve for cartridge cleaning and replacement. A professional plumber is required for installation. THE MOST COMPLETE PURIFICATION PROCESS

Reverse Osmosis (RO) drinking water systems include mechanical filtration to remove particles, carbon absorption and absorption to remove chlorine, taste, odor and chemical contaminants, as well as membrane separation down to .0001 microns. RO membranes remove dissolved solids at the ionic level. No other purification system can provide better removal. Reverse Osmosis Systems provide the best quality drinking water for your family.

Reverse osmosis systems remove the entire spectrum of harmful contaminants.

RESIDENTIAL APPLICATIONS

- Drinking water
- Ice cubes
- Juices, coffee & tea
- Cooking water
- Low sodium diets
- Auto batteries
- Soups & sauces
- Steam irons
- Weight loss programs
- Aquariums
- Baby formulas
- Plants
- Pets
- Humidifiers
- Radiators
- And More!
